RE: Christopher Cassano

To Whom It May Concern:

It is without hesitation that I write a recommendation regarding Chris Cassano. Having had the opportunity to interact with Mr. Cassano in various capacities, I feel uniquely qualified to comment on his skill and potential.

As a student, Chris is committed to high quality inquiry and exploration. His standard for work is remarkable and thorough. He demonstrates a commitment to deep understanding of contemporary approaches to teaching, both practical and theoretical. In each of his field experience placements, Chris connected with students and faculty demonstrating his eager nature to engage in the classroom environment. In discussions with his site supervisors, I was assured of his excellence in the classroom. His student teaching evaluations were superlative and the evaluations by multiple sources signified exemplary performance.

It has been my pleasure to serve as Mr. Cassano's chair, advisor, and professor for the last several years. There is no doubt that he will be an asset to your learning community. His dedication to the field of education, and more so his students, will provide the impetus for a successful career. I am happy to discuss his candidacy with you further.

Sincerely,
